

Teaching and Training the littles

K-2<sup>nd</sup> grade

Using the Calvary Curriculum

Children's Curriculum

## AGENDA

### 1. Introduction:

Good afternoon, my name is Lisa Hall and I teach the K-2<sup>nd</sup> grade class on Sunday mornings. I have been teaching children for most of my Christian-walk and of all the ministries I am involved with, this is the one I am most passionate about. Will you please join me as we pray before we begin.

Thank you for joining me so we can explore the ways we can not only teach, but train up, the littles, K-2nd grade, in our churches in the ways of the Lord. I am excited that you have chosen this interactive workshop, so that we can share ideas on how to make the Bible come alive to our youngest believers. We have the unique privilege of being a part of their salvation journey. A big responsibility...definitely, but one that God is more than able to equip us to do.

John 13-34-35 NKJV

<sup>34</sup> A new commandment I give to you, that you love one another; as I have loved you, that you also love one another. <sup>35</sup> By this all will know that you are My disciples, if you have love for one another."

2. Go through the materials and explain how and when we use each page.
3. We will discuss not only teaching the littles but training them how to do the things we are teaching them.
4. Demonstrate how to bring the lesson to life for example: Jesus washing the Disciples feet.
5. Talk about other resources that Calvary Curriculum has, such as: Rules and Discipline in the classroom & home, The Twelve Apostles of Jesus, The Twelve Tribes of Israel and many more. To my surprise when I attended last years conference, I fell in love with the beautifully framed posters that Calvary Curriculum offers, done by amazing artists. I only dreamed that our church could possibly purchase a few of these wonderful pieces, soon after the conference our Children's Pastor revealed that they had bought a whole set for our Children's ministry hallway. It's so amazing to do a lesson then take the kids out in the hallway and have them pick out the picture that went with our lesson.
6. Close lesson with prayer and by giving a take-away from the lesson that the littles can use during the week and sometimes I also give a simple challenge for them to do during the week, such as help someone in your family or read in the book we are studying to practice reading and learn more about Jesus.

Psalms 127:3

Children are a gift from the Lord.

They are a reward from Him.
