

Transgenderism vs. God-Given Identities: (Affirming God's Plan for Boys and Girls)

Pastor Mark Carson

- Transgenderism and gender dysphoria are the newest lies designed by Satan to trap people in sin that dominates their entire being by corrupting God's design for their lives.
- John 8:44, "You are of your father the devil, and your will is to do your father's desires. He was a murderer from the beginning, and does not stand in the truth, because there is no truth in him. When he lies, he speaks out of his own character, for he is a liar and the father of lies."
- Satan went after God's children, Adam and Eve, and now is going after our children. The key to control is by winning the minds and hearts of children. Hitler gained power through convincing the youth of Germany to join his cause. He said, **"He alone who owns the youth, gains the future." PCP Perception, Context, Permission.**
- The transgender mindset creates mental instability between reality and feelings. Feelings and imagination trump God's design, reality, and biology. This ideology preys on youth and children at their most vulnerable when everyone feels alien in their own body as it grows.
- This mental disorder (gender dysphoria) is the only condition where doctors and counselors are forced to affirm the wrong thinking of the patient and then prescribe drugs and surgeries that **affirm the mental illness**. 42% have attempted suicide. They need truth not lies.
- Transgenderism is child abuse at a new catastrophic level. Children are coerced and groomed by teachers, doctors, and counselors to make life-changing decisions that ensure sterility, pain, suffering, and mutilation.
- Gender dysphoria was a male dominated category in the 60s and 70s affecting 1 in 10,000-15,000. Now some schools have 15% to 25% of young people, (girls mainly) identifying as transgender. In ten years, gender dysphoria has grown 1,000%. Social Media?
- Proverbs 24:11 "Deliver those who are drawn toward death and hold back those stumbling to the slaughter." Kids are being lied to by influencers, clinicians, teachers, doctors, psychologists, and counselors. We as the church must stand for the truth and go after the kids to help keep them from death and slaughter.
- **Social Contagion:** A social contagion as defined by Abigail Shrier in her book **Irreversible Damage** is the effect when **girls share and spread their pain** with/through other girls.
- Specialists only provide affirmative care, affirmative therapy, and affirmative counseling.

- Licensed professionals are unified in creating a process that ensures children **never escape** this lie. Affirmative therapy, affirmative medications, affirmative surgeries, lead to the destruction of healthy maturation, sterilization, and irreversible damage.
- Parents are held captive with a false dichotomy; “Do you want a dead child or a live transgender child?” There are no options for disagreement, or postponing “treatment”. This ensures insulation and protection from anyone questioning a person’s gender dysphoria.
- Control has been established through renaming and recategorizing sexes, genders, and identities. If you control the names and definitions of words, you control the conversation.
- God designed two sexes/genders, **not 107**. Genesis 1:27 “So God created man in His *own* image; in the image of God, He created him; male and female He created them.”
- Transgender activists are not sharing their thoughts and feelings but **changing the thoughts and feelings** of children and adults (who know little or nothing about transgenderism).
- The confusion and indoctrination begin in kindergarten and empowers the powerless; creating a world in which authorities and adults bow down to the imaginations and psychosis of the child, bending reality and corrupting the child. Power and control.
- Transgender activists pit children against parents, churches, and anyone who would tell them the truth with an accurate assessment of who they are as a “micro-aggression”, a sin, a violation of their person by “**misgendering**” them. The only person **misgendering** anyone is the transgender person and those who approve of their psychosis.
- Sex and gender are indivisible. You cannot be biologically male and decide your gender is female. Down to our DNA we are male (xy) or female (xx) in gender and biological sex.
- Strategy for Dominance: 1. **Tolerate** (Infiltrate), 2. **Elevate/Validate** (Normalize), 3. **Celebrate** (Recruit/publicize), 4. **Dominate** (Crush all resistance through legal action). Be careful with any modifications or accommodations for sin. It doesn’t end well.
- The kids need Jesus first. Once saved, the kids will be sanctified by the power of the Holy Spirit and God will help them recognize who He wants them to be. 2 Cor. 5:17.
- The church of Jesus must step up for these kids. Ezekiel 22:30 “I (God) sought for **a man** (one) among them who would make a wall and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found **no one**.” Stand in the gap, don’t affirm.
- We must stand against the lie of transgenderism while at the same time winning the child to Jesus. Battle the lie of transgender ideology while fighting for the soul of the person.

- Celebrate the differences between boys and girls: Mother daughter tea, father son camping day, mother daughter hike, mother daughter retreat, father son retreat. Create an American Heritage Girls Troop for biological females. Create a Trail Life Troop for biological males.
- Affirming Boys: Tell them they are smart, strong, kind, protectors, both tough and tender, handsome and heroic. Boys need rough and tumble play, competition, team play, creativity, ways to use their strength to serve others and protect others. Side-by-side friendships.
- Affirming Girls: Tell them God made them smart, strong, caring, nurturing, creative, brave and beautiful. They need opportunities to connect, play, create, and develop friendships through conversations, shared interests, and activities. Face-to-face friendships.
- Proverbs 22:3 “A wise person sees trouble far off and hides himself (and children) from it, but the simple pass by and are punished.”
- What policies and procedures will your church adopt to address transgender adults who want to use the bathroom of the gender they identify as? What areas of safety must be addressed if a transgender person attends your church? Make a plan of action.
- Educate parents on the dangers of social media, through devices, phones, tablets, internet etc. There is a direct correlation between social media consumption depression and gender dysphoria. Coming Out Again Conference, to educate Christians on the LGBTQ+ issues.
- We all need to be **radically changed from the inside out, transformed by God**. They don't need to find the real or new them, they must be **born again** through Jesus Christ. John 3:16
- Questions for kids who experience gender dysphoria: 1. Who told you, you are transgender? 2. How did you come to that conclusion? 3. What happened that made you feel this way? 4. Do feelings always tell you the truth? 5. Do feelings ever change? 6. Is it a crazy idea to wait for a while before making any lifechanging decisions? 7. What if you change your mind or feel different in the future? 8. What makes you think you are a boy trapped in a girl's body or vice versa? 9. How do you know what it feels like to be another gender? 10. Does dressing up as a girl and calling yourself other names really make you a girl? 11. May I share with you what God says about who you are? 12. Do you think God makes mistakes? 13. Do you know what Jesus has done for you?
- Pray for the children and adults in your community that are embracing this ideology of transgenderism. Do not affirm transgenderism. God loves them and wants to save them.
